B’nai Abraham & Yehuda Laib Family Society

105th Anniversary
September 3, 2006
Beth Tfiloh Congregation
Baltimore, Maryland
Dear Cousins,

I am so pleased to be able to welcome all of you here tonight for our 105\textsuperscript{th} Anniversary celebration. Five years ago at the 100\textsuperscript{th} Anniversary celebration we did ourselves proud. The commitment continues as tonight we once again go forth! May we continue to grow and always remember who we are and where we came from?

Many thanks to all our cousins who helped make this weekend possible. Please enjoy the evening and remember the 110\textsuperscript{th}!

Shalom,

Barbara Lichter
Anniversary Chair

Dear Cousins,

It is indeed wonderful to welcome you to the Family Society's 105th Anniversary Celebration! Our 100th celebration was preceded by just days of calamity of September 11th, 2001 and we are grateful that those who had traveled so far to be with us, were able to return home, well and unharmed. As we planned this event just 5 years later, our hearts and prayers are with those in Israel, family and non-family alike. Hopefully the coming years will be peaceful.

So this weekend as we celebrate the establishment of our Family Society, we do so with gratitude to our forebearers who while seeking freedom and prosperity brought us to countries and communities dedicated to peace and freedom.

Congratulations to Barbara and all those Family Society members who worked so hard and diligently to make this weekend fantastic. Have a great time at the party and let's gather again in five years to celebrate 110!

IN REMEMBRANCE OF THOSE MEMBERS NOW GONE FROM OUR MIDST

"To our loved ones, who are no longer with us, but the image of whose personalities is ever before us, these Pages of Remembrance are dedicated. Although they are gone to another realm, like the rays that linger behind after the sun has set, the recollection of their deeds continues to illumine our lives."

The impulses of concern for mankind, and generosity for worthy causes that they engender in us, are proof of the spiritual sway they still exercise upon us and a corroboration of the assertion of our sages that 'the righteous may even in death be accounted living'.

May our deeds rebound to the fulfillment of their unspoken wishes and the perpetuation of the noble ideals which were the substance and fabric of their immortal souls."
